Cardputer Accessory Kit

SKU:A145

Description

The **Cardputer Accessory Kit** is a repair kit designed for the Cardputer, specifically addressing issues such as bent or broken pins on the Stamp-S3 main control due to frequent plugging and unplugging, as well as the detachment of the screen FPC connector. The kit includes a tutorial to assist users in performing repairs and replacements themselves.

Includes

- 1 x ST7789V2 1.14 Inch Screen
