Base M5GO Bottom

SKU:A014

Description

Base M5GO Bottom is an enhanced universal base for Core series, compatible with all Core models. Compared to the basic Core Bottom, the enhanced base comes with a larger capacity lithium battery (500 mAh), integrates a microphone, LED light strip, infrared LED, and expands with two HY2.0-4P ports (PORT.B/PORT.C). The backside is LEGO-compatible and features pogo pins for connecting supported I2C devices (such as BALA) or a magnetic charging base.

Features

- Compatible with Core
- Integrated Mic / LED light strip / HY2.0-4P ports
- LEGO bricks compatible
- Supports configurable magnetic charging base
- Built-in 10 RGB LEDs in the base

Includes

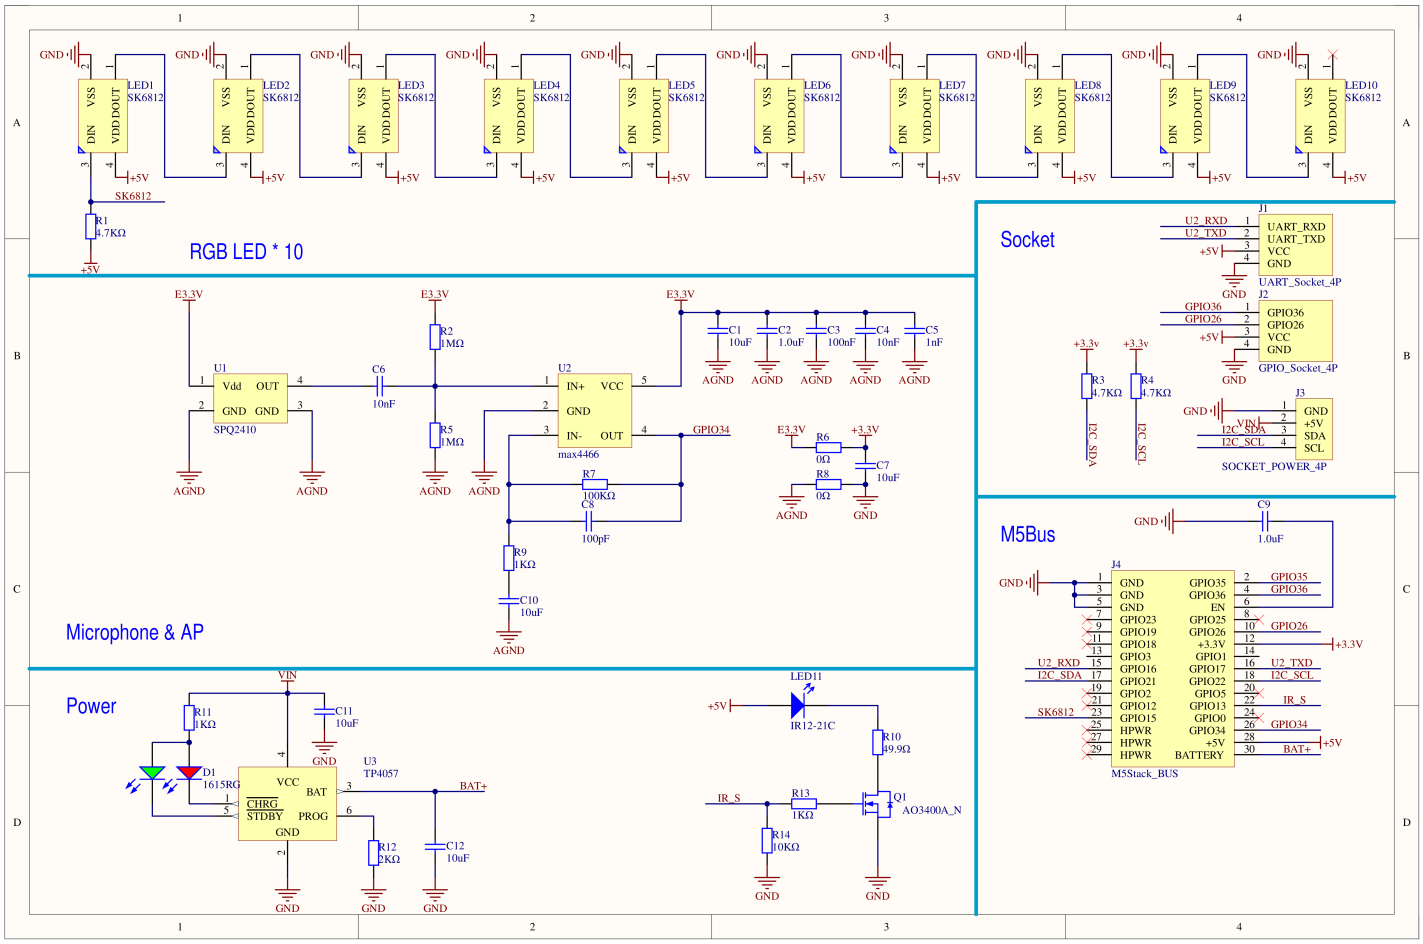

- 1 x Base M5GO Bottom
- 2 x M3x16 Screws

Specifications

Specification	Parameter
Product Size	54.0 x 54.0 x 15.0mm
Product Weight	32.7g
Package Size	132 x 95 x 16mm
Gross Weight	50.6g
